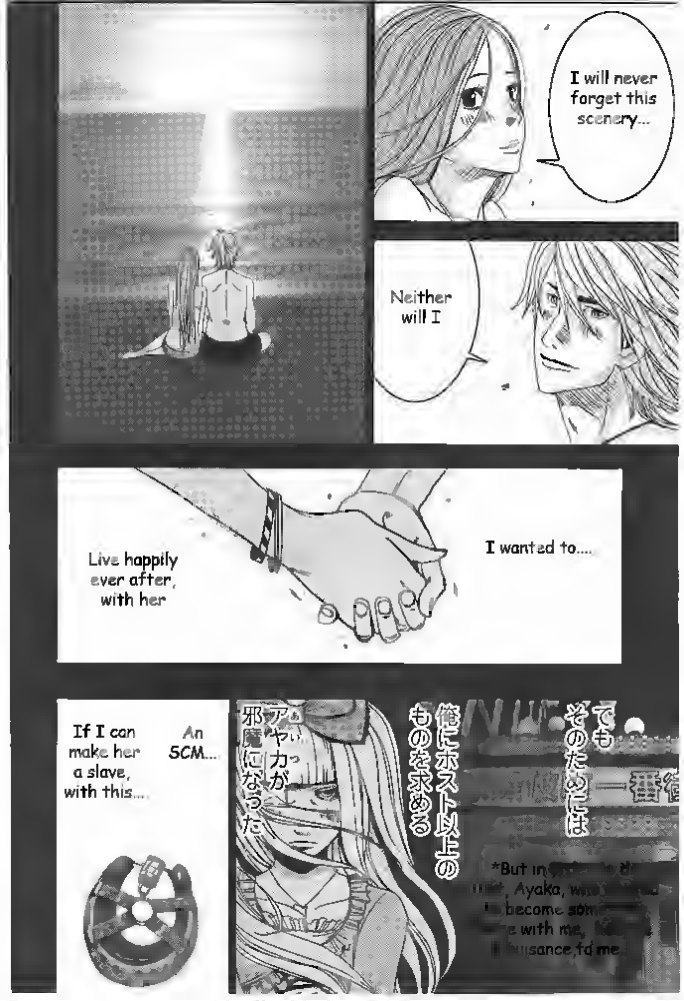
Ugh
Wah, so dirty
After tricking women, and drinking a shitload of alcohol...
I finally received my status as the #1 hast at my club
But...
Damn, I must look path-etic..
Are you okay?
!?

You'll catch a cold, here, you know?
Here, a warming pouch!
I fall in love at first sight
...Thank you

Julia...
Will you... Go out with me?
...Sure
Julia, Come over here
What is it?

Yeah, let's go, let's go!
Let's go on a trip the two of us
maica
Wow! So beautifull



I will never forget this scenery...
Neither will I
Live happily ever after, with her
I wanted to....
If I can make her a slave, with this....
An SCM....

But my hate and anger towards Ayaka, was all pushed down by my SCM
At this point, I really wanted to kill her, so badly...
After that, Ayaka came to my house, and forced me to throw out Julia's things...

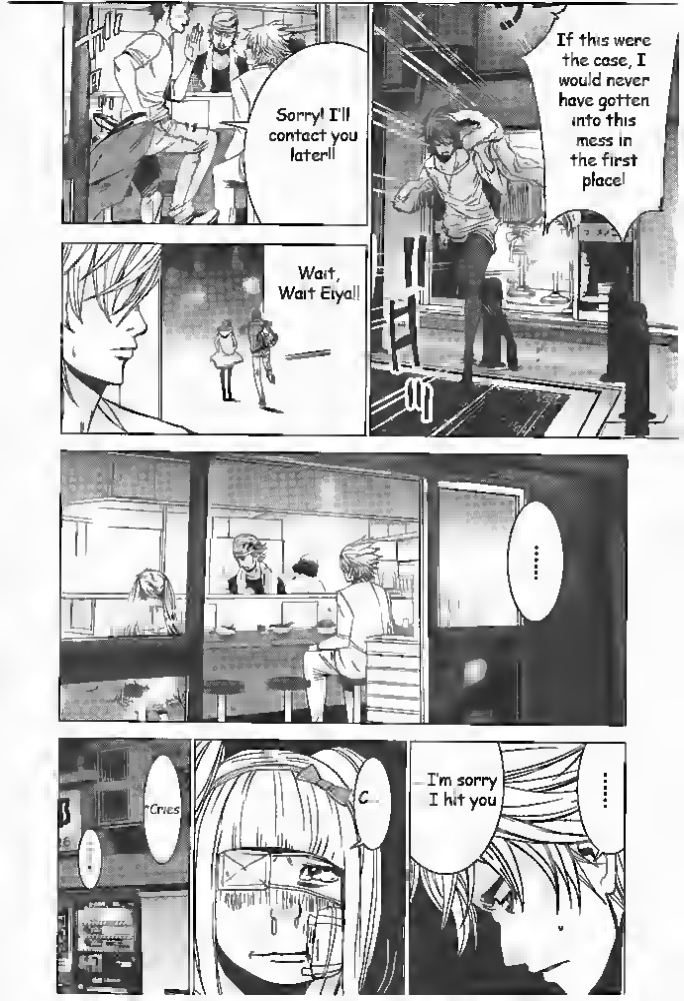
I thaught that, I'd rather be a slave af Yuuga
But then, Yuuga and Eiya came ta aur stare
We've came ta have a duel with yau guys!
The best I could do, was....
But I cannot do anything that goes against Ayaka
And canvince Ayaka ta take this request af a duel
...Ta deceived my awn feelings
But then a miracle accurred
A vibratian reverberated thraugh my mouth
When Ayaka had acknawledged that she had last,

My anger exploded in an instant
With Ayaka's Hold on me, dissipated
Stop it, Seiya!
Stop it!
A slave to a new master
And then, I became ....
... Yes.

ラーメン
Let's just free them, quickly!
Huh? The hell are you talking about?
I thought you said you didn't have any curiosity against slavery!
Did I say that?
But they're our slaves now!
Aren't you curious as to what they can do!?
Hey
Do you really understand the gravity of the situation here?
That's why I have my insurance policy, which is you, Eiya-chan...
This SCM... it's going to lead to a lot of trouble...
This is something that shouldn't be allowed.... For you to control someone as a slave!



Sorry! I'll contact you later!!
If this were the case, I would never have gotten into this mess in the first place!
Wait, Wait Eiya!!

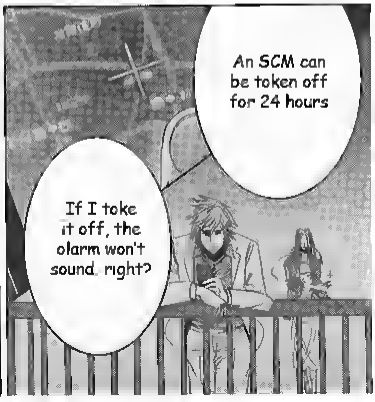
Seiya



An SCM can be taken off for 24 hours
If I take it off, the alarm won't sound, right?

I'm sorry
Because I'm Ryuuou-sama's slave, now...
We made a bet, right now, right?
That if you let go of my hand, you would lose
That can't be... When did I enter into a duel...?
Just now was a vibration for when I lost...

The rules of the match still apply, as long as you put the SCM back on within a short amount of time
Even if you start a match with the SCM off of your mouth,
This is something that Ryuuou-sama taught me
Seiyo, you will also become Ryuuou-sama's slave
Juliaaa!!
This is one of the hidden rules of the SCM...
The "Unaware opponent" rule
Who the hell is this Ryuuou guy!?
